With his love of music and children, Mark can't wait for Summersong to begin!

## Classes!

### **MUSIC AND VOICE:**

A complete song-learning class, designed to help young and advanced performers learn more about singing and music. Areas covered include vocal technique, breath control, rhythm, melody, and sight-reading. Students expand their vocal range, fine tune their ears, strengthen breathing, and learn new music, all in a week!

### **DANCE:**

This dance class teaches the basic elements of both movement and dance, space and flow and how each relates to one another both individually and as a group. The eight basic loco motor movements, musical rhythms, beat and time, opposite directions and some basic ballet are also taught. Many different types of music as well as hip-hop and jazz dance steps will be introduced in these fun and innovative classes. Basic Ballet and Tap will also be covered! The dance classes are sure to be loads of fun and you will learn how to shake a leg or two!

### **THEATRE:**

Early Acting provides literature-based exploratory groups that encourage confidence by building theatre and life skills in a fun and supportive environment. The process rather than the end product is emphasized. Developmentally appropriate exercises and activities teach beginning terminology and theatre skills in every class. Students also learn valuable life skills such as taking turns, listening, self-confidence, being part of a team, cultivating actor/creators, innovators, and creative collaborators. This all takes place in a safe atmosphere where it is easy to make new friends. We will work on the acting in our final performance in this class as well.

### **ARTS AND CRAFTS:**

Children of all ages love the chance to be creative and there is a lot of fun and learning as children explore clay, painting, sculpture, drawing, printmaking, sculpture, textile arts, while making new friends and learning about the wonderful world of art. Some of these items will appear in our final show!
